REGISTERED SUMMER TRAIL SHOOTS

Circle W will be hosting their very own trail competition this year.

**WANT TO WIN \$\$\$\$\$\$\$ AND BE RECOGNIZED AS TOP GUN
OF THE YEAR IN YOUR CLASS?
CIRCLE W IS THE PLACE TO BE!**

Rules and Regulations: \$5.00 from each entry fee will accumulate from all 10 tournaments. Broken targets by each competitor in Master through E and Hunter Class will be calculated and recorded from each tournament throughout the Circle W summer trail. Once all 10 tournaments have been completed, the TOP 4 competitors from each class with the most targets broken will compete on October 6, 2007 at the Circle W Invitational Tournament. (SCORE KEEPERS WILL BE PROVIDED AT THIS TOURNAMENT)! Competitors from this tournament with the highest score from each class will be awarded the \$\$\$\$\$\$\$\$ accumulated from each entry fee throughout the summer trail and honor of "TOP GUN 2007" at Circle W!

How is the money accumulated and determined? For example: if C Class had 10 entries at each of the 10 Circle W summer trail shoots, \$500.00 would be accumulated. We would then award that \$500.00 to the top C Class shooter at the Circle W Invitational Tournament.

Class Rules: If you go up or down a class during the Circle W summer trail, you will take your broken targets with you. Whatever class you're in Oct. 6, 2007 will be your class of competition for TOP GUN of the year. All other NSCA rules & regulations apply.

NOTICE: Due to vacations, family & business obligations etc..... we are allowing each competitor the opportunity to drop or no show, two 100 bird tournaments and two 200 bird tournaments. This will allow the overall trail competition to be flexible and fair. Thank you for your cooperation!

THE MORE TOURNAMENTS YOU ENTER, THE GREATER YOUR CHANCE TO WIN \$\$\$\$\$\$\$\$
